

TOWNSHIP OF HOPE
NOTICE OF INTENT TO APPLY

The Township of Hope, Midland County, Michigan, intends to file a pre-application with the USDA/Rural Development Utilities (RDUP) for a loan and grant to construct a potable municipal water system throughout a majority of the township. The proposed project consists of constructing approximately 57,500 lineal feet of 12" water main, and approximately 104,550 lineal feet of 8" water main to service 450 parcels. The pre-application will be submitted on or about February 26, 2010. If funding is available, a public meeting will be held where the project will be presented. A full application would then be submitted.
